In the module header, select the plus sign (+) on the right-side.

In the “Add Item to Module (Videos)”

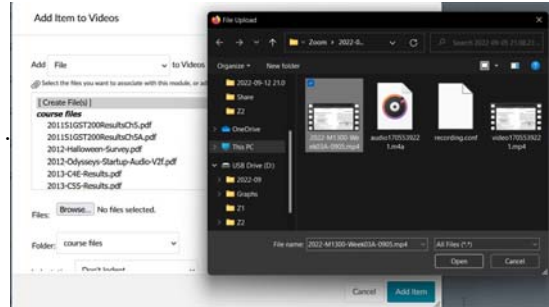

In upper-left, select ‘File’ as the menu item to add.

The screenshot shows the 'Add Item to Videos' dialog box. At the top, it says 'Add Item to Videos' with a close button. Below that, there is a dropdown menu set to 'File' and the text 'to Videos'. A note says 'Select the files you want to associate with this module, or add files by selecting "Create File(s)".' Below this is a list of files under the heading 'course files':

- [Create File(s)]
- 2011S1GST200ResultsCh5.pdf
- 2011S1GST200ResultsCh5A.pdf
- 2012-Halloween-Survey.pdf
- 2012-Odysseys-Startup-Audio-V2f.pdf
- 2013-C4E-Results.pdf
- 2013-C5S-Results.pdf

Below the list, there is a 'Files:' section with a 'Browse...' button and the text 'No files selected.'. Below that is a 'Folder:' dropdown menu set to 'course files'. At the bottom right, there are 'Cancel' and 'Add Item' buttons.

In lower-left, select Browse command button.

In the File Upload window, select item to add.

The screenshot shows the 'Add Item to Videos' interface in the background. The 'Add' dropdown is set to 'File'. Below it, a list of 'course files' is visible, including '2011S1GST200ResultsCh5.pdf', '2011S1GST200ResultsCh5A.pdf', '2012-Halloween-Survey.pdf', '2012-Odysseys-Startup-Audio-V2f.pdf', '2013-C4E-Results.pdf', and '2013-C5S-Results.pdf'. The 'Files:' section shows 'Browse...' and 'No files selected.'. The 'Folder:' dropdown is set to 'course files'. A 'Don't Indent' button is visible at the bottom.

Overlaid on this is a 'File Upload' dialog box. The dialog shows a file explorer view with the following files and folders:

- 2022-09-12 21.0
- Share
- Z2
- OneDrive
- This PC
- USB Drive (D:)
- 2022-09
- Graphs
- Z1
- Z2

The selected file is '2022-M1300-Week03A-0905.mp4'. Other files shown include 'audio170553922.1.m4a', 'recording.conf', and 'video170553922.1.mp4'. The 'File name:' field contains '2022-M1300-Week03A-0905.mp4' and the file type is set to 'All Files (*.*)'. The 'Open' and 'Cancel' buttons are visible at the bottom of the dialog.

At the bottom of the main interface, there are 'Cancel' and 'Add Item' buttons.

Wait/watch item upload. Press “Add Item”

The screenshot shows the 'Add Item to Videos' dialog box. At the top, it says 'Add Item to Videos' with a close button (x). Below that, there is a dropdown menu set to 'File' and the text 'to Videos'. A link icon and text prompt the user to 'Select the files you want to associate with this module, or add files by selecting "Create File(s)".' Below this is a list of files, including a '[Create File(s)]' option and several PDF files under the heading 'course files'. A file upload progress bar is shown for '2022-M1300-S041-Week03B-0907....' with a blue progress indicator. Below the progress bar, there is a 'Folder:' dropdown menu set to 'course files'. At the bottom right, there are two buttons: 'Cancel' and 'Add Item'.

When complete, press”Add Item” command button.
